## Summary

Passionate and detail-oriented Front-End Developer with a strong foundation in HTML, CSS, and JavaScript. Proficient in building dynamic and responsive web applications with a keen eye for design and user experience. Dedicated to writing clean, optimized, and maintainable code. Always eager to learn new technologies and contribute to innovative projects.

## Skills

- HTML, CSS, SASS
- JavaScript, ES6+
- React.js
- Bootstrap & Tailwind CSS
- Responsive Web Design
- Git & GitHub
- API Integration
- UI/UX Principles

## Education

### Bachelor's in Computer Science

*MET, Mansoura University (2022 - 2026)*

## Experience

- Developed and maintained web applications using React.js.
- Collaborated with designers and back-end developers to create responsive user interfaces.
- Wrote clean, efficient, and maintainable code following best practices.
- Optimized applications for maximum speed and scalability.
- Worked in an Agile environment, ensuring timely project deliveries.

## Projects

- **Personal Portfolio** (*HTML, CSS, JavaScript*)  
Created a fully responsive portfolio showcasing my skills, experience, and projects. Implemented interactive animations and a clean, modern UI.
- **Try Element** (*HTML, CSS*)  
Developed a small project focused on interactive UI elements and component-based designs. Practiced modern CSS techniques to enhance visual appeal.
